Weekly work summary

October 28, 2026

About this example

This report uses fictional work items to show how one JSON file becomes a PDF. It is a template example, not a client report.

Work items

Item	Status	Note
Page updates	Complete	Revised the sample service descriptions and checked their links.
Image review	Complete	Added image descriptions and checked the sample page layout.
Document template	In progress	Preparing a longer example to check page breaks and repeated table headers.
Next review	Needs review	Choose which fictional work item to include in the next example.
